## Smith and edwards hours today

FEATURED BENJAMIN MOORE PRODUCTS OTHER FEATURED BRANDS \*Call for specific product availability. Monday - Tuesday - Wednesday - Thursday - Friday - Saturday - Sunday - For shop and holiday times, please contact the shop directly. \*\*Hours may vary. Contact your local dealer to confirm opening hours. Both shops are open from 9a.m. to 5 p.m. on December 31. We will be closed on New Year's Day to enjoy the holiday with our families. See you next year! THE EMPLOYEES OF SMITH & EDWARDS LOVE TO USE AND EXPERIENCE OUR PRODUCTS! Join them as they have the latest products. Advice Reviews How-To Favorites Watch Video Read Blog Every year it's the same: Next spring I'll hike & camp earlier. Next summer we will do more as a family. I will remember getting a day next year so I can get a deer in the autumn. Plan it! Look forward to it! Bring out the passion you have for the things you want to do so you're ready with the right equipment to achieve that outdoor satisfaction. We get the same pull to get out of there. Here's what's new, what you need for your great adventure. Grill Whatcha Kill Why do you make your kitchen HOTTER in summer? Fire your Camp Chef stove to blanch corn, or even process all your canned food! All details can be found here. Colleen Sloan, author of several Dutch oven cookbooks and a fabulous cook, shared a Dutch oven recipe and some tips! Take a look! [Send us your story and get a 25 dollar gift card when we publish it!] Rose is ready to hike the trails in Ogden, Weber, & Box Elder County. Check out what equipment she chooses! Spend your weekend in the Uintas! See pictures & create your list of Mike's recommendations. Details can be found here. [Send us your story and get a 25 dollar gift card when we publish it!] Hooked on Utah takes us to our favorite waters, Willard Bay, known for its Walleye and Wiper! While they wait for the lakes to freeze, get ready with Chris' five Ice Fishing preparation tips! Get the full scoop. Utah's waters feature wipers, walleye, perch, trout, even tigr muskies and tiger trout. We love to see what you catch. See the catches of our friends! [Send us your story and get a 25 dollar gift card when we publish it!] Coby from Sage Game Calls shows us what to call a cow, a bull or a herd of moose with its reeds and bugles. Coby hunts the Rocky Mountain region himself so he knows what works! Pauls Moose was the hunt of his life! Listen to the whole story. Tyson and his friend eventually drew a Region G-Day - the famously robust unit of Wyoming known for its dollars. Listen to the whole story. [Send us your story and get a 25 dollar gift card when we publish it!] Tyler from Smith & Edwards and his dog Roger show the basics of duck hunting equipment at Hudson's Crane, just behind Willard Bay. The duck hunting camo patterns are Realtree Max-4, Max-5 and MossyOak Shadow Grass Blades. And if you have a larger budget, check out new patterns from Sitka and Kryptek. Get the full guide to Camo patterns here! Send us a story Photo of you and your horse, especially with your Smith & Edwards manufacturing packing bags or headstall - we want to see! We will send you a gift card when we publish your story! Marty shows you how to put a mule hide-and-seek horn wrap on your saddle. We do this here in our leather shop! More information can be found here. We love to wear Sunbody palm leaf hats because they are so easy to shape and still have a good hold on your head! Marty can design it here in the store for you or DIY at home. Ropers ask us all the time if we can tie a Honda for them. We are happy - and Tom can show you how to tie a Honda yourself! Need help? Call 1-866-290-5334View Privacy Policy Since 1947, Smith and Edwards has been one of Utah's unique retail experiences. Three generations with family tradition, the 171,000 square meter store includes departments for camping, Fishing, Backpacking, Climbing, Caving, Hunting, Pistols & Ammunition, Emergency Precaution, An Extraordinary Selection of Dutch OvenCookware, Navy, Water Sports, Western Tack Sale and Manufacture, Western Jewelry, Clothing, Coats, Shoes, Toys, Homewares, Hardware, Automobile, Color, Plus U.S. and International Military Surplus - all this in addition to the sixty acres of large yard filled with a huge range of military surplus... the scrap that started it all. All.
